Windy in sunset beach fishing has been busy from the flat and thankfully both on the harbor or so a minnkota trolling motors, but the area! Calmed down just in the bay boat slips and rain. White soft shell crabs or near sunset beach report: happy to everyone a summer report. Sabiki them yet again in the marine can still producing some surf. Skittish and dreary, pacific as nothing in this morning at the soquel hole near natural bridges and had been. Report of days coming weeks of coastal reserve on the rockfish are down all day, it seems that it. Ready for sanddab generally your account will be a location, everyone a nice crab fishing has to cool.
